

## FOUR MARKS PARISH COUNCIL

## **BUSINESS CONTINUITY PLAN**

#### **Introduction**

The Civil Contingencies Act 2004 (<u>http://www.legislation.gov.uk/ukpga/2004/36/contents</u>) places a duty on a local authority to ensure it is, as far as reasonably practical, prepared to continue to provide important functions and services in the event of a disruption.

Whilst this is not a statutory duty for a Parish Council, Four Marks Parish Council ('the Council') recognises the importance of producing and maintaining a Business Continuity Plan for implementation in the event of disruption to the day to day running of the Council.

This Business Continuity Plan identifies the:

- instances of disruption
- plan for the management of risk, including:
  - risk areas
  - immediate responses
  - > procedures to follow to maintain continuity of services
  - > follow-up procedures and necessary changes to delivery of services
  - external contacts

where such services are disrupted by factors within the Council's areas of responsibility.

The Clerk is the first point of contact for all emergencies and business continuity actions. If the Clerk is not available, the actions should be implemented by the Chair, or in their absence, the Vice-Chair or a member of the Council that has been nominated by the Chair or Vice-Chair.

#### FOUR MARKS PARISH COUNCIL

#### TEMPORARY SCHEME OF DELEGATION

#### **Background**

Following the recent pandemic, a temporary scheme of delegation to the Executive Officer was put in place for the Council to fulfil its obligations and continue as democratically and compliant as legal possible. In line with the adopted Business Continuity plan best practice would indicate that it would be reasonable to have a standard temporary scheme of delegation available to put in place should there be a requirement in an emergency. The temporary scheme of delegation will be enacted either by motion at the next appropriate Full Council meeting, or by the Chairman and Vice Chairman if the Council are unable to meet for ratification at the next council meeting when held.

#### Terms of Reference

Under Section 101 of the LGA (1972) there is provision for delegating authority to the Proper Officer for making decisions on behalf of the council as and when appropriate. The purpose of introducing the temporary scheme of delegation to the Executive Officer is to ensure that the Council can still operate with full compliance with the current Government restrictions in legislation.

1. To take action on any issue that cannot wait until the next Parish Council meeting

The Executive Officer will address any need/resolution to all Councillors by email. Action taken should be routinely carried out with the input of at least two Councillors. The Executive Officer would normally be expected to consult with the Chairman and Vice Chairman, or Committee Chairman, to take their views into account.

2. Planning Applications

To prepare and submit a response to planning applications on behalf of the Council, following recommendations from the Planning Committee, via discussion meeting or email.

- 3. Financial thresholds
  - a. To authorise expenditure on items where the Council within a budget approved by the Council has agreed to the expenditure, as per the temporary alterations to financial regulations and agreed delegated authority levels as per Appendix 1.
  - b. To incur expenditure on behalf of the Council which is necessary to carry out any repair, replacement or other work or essential project which is of such extreme urgency that it must be done at once, whether or not there is any budgetary provision for the expenditure submit to a limit of £1000, as per the delegated authority level as per Appendix 1.
  - c. To take any action regarding minor repairs (up to a cost of £1000) and to report minor matters to the relevant authority.

#### 4. Record keeping

Record keeping and the maintenance of a solid trail (particularly around decision making in any form) should be retained in writing and reviewed and certified to ensure good documentary evidence.

5. <u>Reporting back to Full Council</u>

  - 4 Councillors to include the Chairman and Vice Chairman for all items over £5000

Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure. During the operational period this shall be subject to an increased limit of £5000 for a single transaction. The Executive Officer shall report such action to the Chairman and Vice Chairman of Council as soon as possible and to the Council as soon as practicable thereafter.
- 1.3 The Executive Officer shall prepare the monthly Schedule of Invoices for payment which shall be circulated electronically with the Council paperwork prior to the respective Meeting, to present to the Council or Committee for review and authorisation by resolution, as per Clause 5.2, and signed by the Chairman at the first opportunity.
