Four Marks Parish Council

Report to a meeting of the Council on 21 Feburary 2024

Finance Report

Louise Steele – Interim Responsible Financial Officer

Contact: finance@fourmarks-pc.org.uk

1. Background

The Council's new accounting software was initially implemented in the summer of 2023 and is now fully in use and can be utilised to provide information for Councillors.

2. Information available

There are a range of reports that can be generated from Scribe – this is an opportunity to establish which Councillors find most helpful. This may be an iterative process.

Three reports are appended to this report.

The first show the Council's bank balances as at 31 January 2024 (the CCLA balance figure will change when the January statement is received).

The second shows the "Net Position by Cost Centre and Code" while the third shows "Monthly breakdown of Receipts and Payments" which is the same information but split over the months of the financial year.

3. Key Messages

The reports indicate that the Council is likely to underspend the budget at the end of the financial year (it has already decided that £30,000 of this underspend will be earmarked for future expenditure on the Neighbourhood Plan).

4. Recommendation

Council is asked to **NOTE** the content of the financial reports.
