Councillor Grants

Councillor Grants will be re-opening for 2025-2026 on Monday 7th April. The applications are now open and this year we are moving online. Case Management will be taking over processing the applications. However, CDO's will be on hand to talk to groups regarding their application and offering support where needed.

Please make use of this valuable resource - look at the website.

If you don't qualify for any of the EHDC grant schemes, you may be able to find funding through other sources in the district, e.g. Community First, Hampshire County Council, Town and Parish Councils.

EHDC launches consultation on draft affordable housing supplementary planning document

East Hampshire District Council is taking an important step to addressing the district's need for affordable homes by releasing a draft Affordable Housing Supplementary Planning Document (SPD) for public consultation.

The initiative will aim to ensure the affordable housing in East Hampshire meets the specific needs of local communities. It applies to the area within East Hampshire outside of the South Downs National Park.

The draft SPD is available for consultation to the end of Monday April 28th - please go to the EHDC website to take part in the consultation.

Newsletters and service updates

This is a great way to stay up to date with issues which are important to you and your community groups.

Enter your email address and select what information you wish to receive.
